BO AND THE SNOW

My dog, Bo, loves to play in the snow. His favorite time of year is winter. Bo gets really happy when I put on my hat and gloves and we put on his sweater. He knows we are going outside to play in the snow. Bo likes to run in the snow and chase me. We play catch with snowballs. I throw the snowballs, and he tries to catch them. Bo barks and jumps when we play ball in the snow. My parents laugh at us when we play ball. Bo is fun to play with in the winter.
